# ACADEMIC AND STUDENT POLICIES

## Admissions

Rainy River Community College has an open admissions policy. You will not be refused admission based on race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission. A lack of English skills will not be a barrier to admission and participation. [Nondiscrimination Statement; Annual Notice](#)

[General Student Admission Procedure](#)

[Canadian/International Student Admission Procedure](#)

[Post Secondary Enrollment Options Student Admission Procedure](#)

Admission to RRCC:

- You can enroll if you have a high school diploma or a GED. Even without those, you may be admitted if you demonstrate potential for success in college.
- You do not have to take a standardized test to be admitted, and your high school grades and class rank are not considered.
- After you are admitted, you will take a placement test. This will indicate whether you need to take remedial or developmental courses, which will not count toward a degree, before you can take college-level courses. Many students need just one developmental course, often in math or English. If you have taken a “college prep” curriculum in high school, you are more likely to do well on the test.

Students will be granted resident tuition if they meet the following criteria:

1. Have resided in Minnesota for at least one calendar year immediately prior to applying for admission.
2. Residence in Minnesota must not be merely for the purpose of attending a college or university.
3. Sources for financial support are generated within Minnesota.

To determine eligibility, a written request for resident tuition should be submitted to the Registration Office. Students wishing to appeal resident status may do so by petition.

Canadian students receiving an I-20 form are required to have it processed by the U.S. Customs Office at the International Bridge in International Falls where they will be issued a student J-1 VISA to cross the International Bridge daily to attend classes.

International students must follow international student admission guidelines to receive an Immigration I-20 form to enter the U.S. An I-20 form can be requested from the Registration Office. If international students leave the U.S. for college breaks, etc., they must secure the Registrar's signature on the backside of the form so they may reenter the U.S.

International students wishing to receive any type of financial assistance, including student work-study, are required to have a U.S. Social Security number. International students must also fulfill all of the requirements in the International admissions section.

### **Accuplacer® Computerized Placement Test**

Rainy River Community College requires all students to complete an incoming student assessment that includes basic measures of reading comprehension, English, and mathematics on system-endorsed tests. The incoming student assessment shall not be used to make admissions decisions. RRCC exempts some students from all or portions of the incoming student assessment based on presentation of transcript or equivalent evidence of adequate preparations or prior education, presentation of subtest scores of 21 or higher in reading, 18 or higher in English and 22 or higher in math on the ACT, enrollment in non-credit continuing education or customized training, or enrollment in a one or two course program of study.

Rainy River Community College uses the Accuplacer Computerized Placement Test (CPT) to determine whether a student has the skills necessary to take college-level courses. A student's assessment (CPT) scores are used to determine which courses to take. Students who need to improve their academic skills prior to enrolling in college-level courses will take developmental courses.

### **Identification and Assessment of Limited English Proficiency Students**

Limited English Proficiency students are identified through the assessment process or by self-identification. Students scoring below the developmental course placement level on reading or writing assessments meet with an Academic Advisor to discuss possible reasons, pre-requisites, alternatives, resources, and support services available.

Students may self-identify as Limited English Proficiency through the questions accompanying the assessment or directly to an Academic Advisor.

An Academic Advisor meets with all students identified as LEP, regardless of assessment scores, to ensure students are aware of community and College resources and services available (English as a Second Language [ESL] classes through the Adult Basic Education, literacy centers in the area, RRCC learning center, developmental courses, peer and professional tutors, course pre-requisites, etc.).

The Academic Advisor monitors students' progress. LEP students meet at least twice per semester with the Academic Advisor to assess progress and review academic planning. Additional appointments may be required during the semester. Students are directed to appropriate developmental courses in reading, basic English, and study skills. Instructors provide mid-term reports and academic alerts for students having difficulty in their coursework. Academic Advisors discuss concerns with the students to determine possible remedial action.

### **Classification of Students**

- First Year: A student who has earned 30 or fewer semester credits
- Second Year: A student who has earned 31 or more semester credits
- Full-Time: A student carrying 12 or more credits per semester (recipients of a MN Grant must take 15 credits or more to be considered full-time); 6 or more credits in the summer term
- Part-Time: A student carrying 11 or fewer credits per semester

### **Credit Load**

Students are not required to take a minimum number of credits, but 15 college-level credits are needed each semester to complete a degree or program in two years. Full-time status is 12 or more credits. The number of

credits required to qualify for financial aid programs or medical insurance programs should be checked by each individual student.

### **Transfer of Credit**

Transfer of credit from other post-secondary institutions to RRCC is accomplished in accordance with Minnesota State and Rainy River Community College policies.

Anyone wishing to transfer credit to RRCC must provide an official transcript that is mailed directly to the RRCC Registration office with a course outline when required. Transfer credits from other Minnesota State colleges are processed through e-Transcripts. Complete the e-Transcript request form at the registration office. Transfer credit may be granted for work completed at other accredited institutions when:

- a grade of "C" (2.0) or higher has been earned; if a student's cumulative GPA at the originated institution is 2.0 or above, D grades will be accepted as earned credits;
- all MnTC courses earned at sending institution will be accepted, including "D" grades if credit given at original institution;
- at least 75% of course content requirement is met;
- course number is 1000 or higher.

Transfer credit requests should be done prior to registering for classes. Students may appeal any transfer decision by requesting a petition form from their academic advisor or the Registration Office.

Upon completion of a transfer evaluation, a Degree Audit Report (DARS) will be mailed to the student. DARS reports are also available via E-Services.

Transfer credits accepted by RRCC are not counted as credits attempted for calculation of cumulative completion percentage, and grades associated will not be used in calculating cumulative GPA but transfer credits accepted by RRCC and applied toward a student's degree requirements will apply toward the maximum time-frame calculation (i.e. 150%).

### **Credit for Military Experience**

Any enrolled student may request an evaluation of military experience and schooling for college credit. This credit is evaluated and awarded by the College according to the standards of the American Council on Education (ACE).

### **International Baccalaureate (IB)**

Credit will be granted, as determined by the College transfer specialist, for students who complete an International Baccalaureate (IB) diploma.

### **College Level Exam Program (CLEP)**

Standardized proficiency examinations such as the College Level Examination Program (CLEP) are recognized by Rainy River Community College. CLEP is a national program of credit-by-examination that offers the opportunity to obtain recognition for college-level achievement. The College reviews these credits on an individual basis. A minimum score of three or better is required. Find out more about CLEP on the internet at [www.collegeboard.org](http://www.collegeboard.org)

### **Advanced Placement (AP)**

Rainy River Community College will award credit for Advanced Placement testing providing the student earned a score of 3 or higher on the exam. Approved credits will be transcribed as "Advanced Placement" credits. Students wishing to apply for Advanced Placement credit should request to have test results mailed to the Admissions/Registration Office.

### **Activity Participation Credit**

A student may register for activity credit only during the semester in which the activity is completed. This must be done during the first five days of the semester. Students must go to the Registration window to enroll in an activity credit. Credits earned in activity courses may be used only as elective credits in any program.

### **Registration**

Students are expected to register for classes and pay tuition before an academic semester begins. The last day to register is the fifth day of classes for full semester courses. (There are different drop/add time-periods for night, late-start and block schedule classes. Contact the Registration office for these dates.)

### **Student Access Codes**

Students must make an appointment with their advisor to obtain their registration Access Code prior to registering for classes each semester.

### **Address and Name Change**

Address changes can be made online in a student's eServices account. Documentation is required for a name change. Any communication from the college using the name and address on file is considered to be properly delivered.

**Grading Policy**

Grades are assigned by faculty following each semester of enrollment. The following grades can be earned by students.

GRADE	MEANING	GRADE POINTS
A	superior achievement	4
B	above average	3
C	average	2
D	below average	1
F	inadequate achievement (failing)	0
NC	failing (for classes below 1000 level)	0
P (pass)	average (C or better –a grade of P counts as earned credit)	0
AU	audit a class (Auditing a course does not count as earned credit)	0
I	work is not complete (Incomplete assigned only with a signed contract and converts to F if work is not completed when promised)	0
*	instructor did not assign grade	0
W	withdraw (counts as a registered credit)	0

**Grade Point Calculation**

To graduate from Rainy River, students must have at least earned a 2.0 (C) or better cumulative grade point average and a MNTC GPA of 2.0 (C). GPA is figured by taking a total of the number of credits times the number of grade points for each course, and dividing by the total number of credits. Cumulative GPA is the total number of credits registered for divided by the total number of grade points earned.

**Grade Reports**

Students may receive semester grade reports via the web at [www.rainyriver.edu](http://www.rainyriver.edu), click on e-Services.

### **Grade Appeals**

Grade appeal policy and forms are available at the Registrar's office and must be submitted to the Director of Instructional Services within 30 days of final grade posting.

### **Dean's List**

The Dean's List will be published after each semester. Full-time students (those who have taken 12 or more graded credits during the semester) will be listed if they have attained a semester grade point average of at least 3.25.

### **Good Student Certificates**

Requests for certification of good student standing for auto insurance discounts or to other entities may be submitted to the Registration Office for completion.

### **Repeating a Course**

A course may be repeated for an improved grade. Only the most current grade earned will be counted toward degree credit and in the computation of the overall grade point average. All grades will appear on the transcript. Tuition and fees will be charged each time.

### **Auditing a Course**

Registration for a course without credit or audit (AU grade) carries the same tuition and fees as courses taken for credit. Students must consult with the instructor concerning audit requirements and submit a special form with the instructor's signature to the Registration Office during the first five days of the semester or the first week of summer school. Once the registration is completed, the student cannot earn a letter grade. A course that has been previously audited may be taken later for credit and a letter grade.

### **Transfer-Out of Credits**

It is the transfer institution that determines application of credits from Rainy River Community College. Students are advised to obtain the curriculum catalog of their transfer institution early in their first year, and discuss their transfer plans with an Academic Advisor. A two-level appeal process is available through which students may appeal transfer decisions made by a Minnesota State College or University regarding courses completed within the Minnesota State system.

### **Transcript Release**

Students wishing to have their Rainy River Community College transcript sent to another institution must complete a transcript release form or submit a written request with their signature to the Admissions/Registration Office. There is a fee for both official and unofficial transcripts. In accordance with the Data Privacy Act, transcripts are legal documents and cannot be released without the student's signature. A faxed request is acceptable. Transcripts are processed within 48 hours of receipt of the request and payment.

For students transferring to a Minnesota State College or University, contact that institution for their requirements.

### **Academic Holds**

When a student owes the College money for any outstanding balance, including overdue library materials, an academic hold is placed on the student's permanent record. This means the student's academic transcript will not

be released from the College and they will not be allowed to register for future classes. The Office of Financial Aid, Cashier, and Admissions/Registration Office have a copy of all student holds. Students are mailed a copy of the hold form when it is attached to their academic transcript. Any questions regarding holds should be addressed to the Admissions/Registration Office.

### **Satisfactory Academic Progress (SAP) Policy**

Rainy River Community College and Minnesota State Board Policy 2.9 requires that all students make satisfactory academic progress toward a degree, diploma, or certificate to remain in good standing.

Additionally, federal and state laws require that a recipient of financial aid must make the minimum satisfactory academic progress standards to remain eligible for financial aid. The College believes that students are responsible for their own academic progress and for seeking assistance when experiencing academic difficulty. The following academic standards are required of all students.

### **Satisfactory Academic Progress (SAP) measurements.**

Part 1. SAP Qualitative Measure of Progress (GPA). All students are required to maintain a 2.0 cumulative grade point average (GPA). Students who do not meet the 2.0 minimum cumulative GPA standard will be placed on warning after they have attempted/registered for 1 or more credits. The College monitors student's GPA each term. Grades of A, B, C, D and F will be included in the GPA calculation.

#### Part 2. SAP Quantitative Measure of Progress.

Subpart A. Required Completion Percentage. All students are required to complete a minimum of 67% of their cumulative attempted-registered credits. Students who do not meet the 67% cumulative completion percentage will be placed on warning after they have attempted/registered for 1 or more credits.

Subpart B. Maximum Time Frame. All students are expected to complete their degree, diploma, or certificate within an acceptable time frame. The maximum time frame in credits for financial aid recipients is 150% of the published credit length of the program major. For example, if a student's program is 60 credits in length, the student can receive aid through 90 credits.

Students who choose to change programs or pursue a second degree may retain financial aid eligibility for the new program however, the student will have to complete this new program within 150% of the published credit length of the program. A maximum time-frame appeal must be completed. Credits attempted at Rainy River Community College as well as transfer credits that count towards the completion of the student's new declared program of study, will be included in the maximum-time frame calculation.

Part 3. SAP Evaluation Period. The College evaluates Satisfactory Academic Progress at the end of each term; fall, spring and summer. Programs less than one year in length will be evaluated at the midpoint of the program. Non-standard sessions will be evaluated within the term in which they are transcribed (i.e. sessions that do not follow the normal start and end dates for the term).

#### Part 4. Failure to Meet SAP Standards

Subpart A.

- Maximum Time Frame (150%). If at the end of the term a student has exceeded the standard for measurement of maximum time frame (equal to 150% of their program length), the student will be suspended from financial aid eligibility.
- Suspension for Inability to Meet Program Requirements within the Maximum Timeframe. If at the end of the evaluation period the institution determines it is not possible for a student to raise their GPA or course completion percentage to meet the institutions standards before the student completes their program of study at RRCC, the student shall be immediately suspended from financial aid.
- Qualitative (GPA) or Quantitative (completion) Percentage. If a student has failed to meet the Qualitative and/or Quantitative standard, they will be placed on warning.
- Reinstatement of Students on warning Status. If a student who has been on warning status has met the cumulative GPA and Completion Percentage standards, the student will be removed from warning status.
- Suspension of Students on warning Status. If a student on warning status has not met the cumulative GPA or Completion Percentage standards after the term of warning, RRCC will suspend the student upon completion of the evaluation.

Subpart B. Suspension of Students for Extraordinary Circumstances. Any student may be immediately suspended from RRCC and/or financial aid eligibility in the event of extraordinary circumstances, including but not limited to previously suspended (and reinstated) students whose academic performance falls below acceptable standards during a subsequent term of enrollment; students who register for courses and do not attend any classes; and students whose attendance patterns appear to abuse the receipt of financial aid.

Part 5. Notification. The College will notify a student in writing any time they are placed on a warning or suspension status. If a student is suspended, he or she will be provided information on how to appeal the suspension status.

#### Part 6. Appeals and Probation.

Appeals. A student who fails to make satisfactory academic progress and is suspended has the right to appeal based on specific, unusual or extenuating circumstances such as: a death in the family, students' injury or illness or other specific circumstances as determined by the institution. The appeal must include an explanation of the special, unusual or extenuating circumstances causing undue hardship that prevented the student from making satisfactory academic progress.

The appeal must include what has changed in the student's situation that would allow the student to demonstrate satisfactory academic progress standards at the end of the next evaluation period.

Supporting documentation beyond the written explanation is strongly encouraged.

Initial consideration of appeals will be undertaken by an Appeal Committee. If appeal is denied, it may be resubmitted for consideration by the Provost or Dean.

Appeals that are approved must contain an academic plan that, if allowed, ensures the student would be able to meet satisfactory academic progress standards by a specific point in time.

Probationary Status. A student who has successfully appealed shall be placed on probation for one evaluation period. If, at the end of the next evaluation period, a student on probation status:

- Has met the institution's cumulative grade point average and completion percentage standards, the student shall be returned to good standing.
- Has not met the institution's cumulative grade point average and completion percentage standards, but has met the conditions specified in their academic plan, the student shall retain their registration and financial aid eligibility under a probationary status for subsequent evaluation period.
- Has not met the institution's cumulative grade point average and completion percentage standards and has also not met the conditions specified in their academic plan, the student shall be re-suspended immediately upon completion of the evaluation.

Part 7. Reinstatement. To reinstate enrollment, a student must either meet the cumulative GPA and completion rate standards, or have an approved appeal. Neither paying for their own classes nor sitting out a period of time is sufficient to re-enroll in classes.

Part 8. Additional elements.

Subpart A. Treatment of grades.

- Earned credits: Courses for which a student receives a letter grade of A, B, C, D, S, or P are included in the calculation of cumulative credit completion percentage as courses successfully completed. Courses for which a student receives a letter grade of I, IP, NC, W, or Z will be treated as credits attempted but not successfully completed.
- Attempted credits: Credits for which a student is officially registered at the end of the drop period each term.
- Grade Point Average (GPA): Calculated using a grade point value for grades of A, B, C, D, and F. (P counts as credit earned, but carries no grade point value)

Subpart B. Academic Forgiveness (forgiveness of prior grades). This is not available for financial aid recipients.

Subpart C. Audited Courses. Audited courses will not be funded by financial aid and are not included in satisfactory academic progress measurements.

Subpart D. Consortium Credits. Credits for which financial aid is received under a consortium agreement are included in the cumulative GPA, completion percentage, and maximum time-frame calculations.

Subpart E. Remedial/Developmental Credits. Remedial/developmental credits are included in the cumulative GPA and completion percentage. Up to 30 developmental credits will be excluded from the maximum time frame calculation.

Subpart F. Repeated Courses. Courses may be repeated indefinitely for an improved grade. Only the highest grade attained will be counted on the student's transcript. All attempts at a course are considered when calculating the completion rate.

Subpart G. Transfer Credits. During the admission application process, student academic transcripts from prior colleges attended are requested and reviewed. Minnesota State Procedure 3.4.1 indicates that students who have been placed on academic suspension at one Minnesota State institution shall not be eligible for admission at ANY Minnesota State institution until they have successfully appealed the suspension status to the new school they wish to attend. If it is determined that a student is on academic suspension at another Minnesota State college/university, the following will occur:

Active Suspension. When a student is on an active suspension at another Minnesota State college/university and attempts to enroll at RRCC prior to serving the prior school's required suspension period (if applicable), RRCC will deny admission and registration eligibility until the student has served the prior school's suspension period or until the student successfully appeals that suspension status.

Inactive Suspension. RRCC will admit and allow a new RRCC student to register for classes if that student had been suspended from another Minnesota State college/university but served the former school's required suspension period (if applicable). A student in this situation will not be placed on Warning, Suspension or Probation. Credit transfer and credit transfer completion percentage calculations from prior school earned credits (if applicable) do apply in RRCC Satisfactory Academic Progress calculations.

Transfer credits accepted by RRCC are not counted as credits attempted for calculation of cumulative completion percentage, and grades associated will not be used in calculating cumulative GPA but transfer credits accepted by RRCC and applied toward a student's degree requirements will apply toward the maximum time-frame calculation (i.e. 150%).

Subpart H. Withdrawals. Credits for which a grade of "W" is received are considered attempted credits but not successfully completed credits. Thus, a "W" does not impact the GPA but does negatively impact the cumulative completion percentage

### **Student Appeals and Petitions**

Students seeking an exception to any academic or student services rule, policy or procedure may submit a Student Petition form to the Petition Committee. Forms may be obtained from academic advisors, and submitted to the Registration Office.

### **Suspension of Students for Extraordinary Circumstances**

Any student may be immediately suspended from RRCC and/or financial aid eligibility in the event of extraordinary circumstances, including but not limited to previously suspended (and reinstated) students whose academic performance falls below acceptable standards during a subsequent term of enrollment; students who register for courses and do not attend any classes; and students whose attendance patterns appear to abuse the receipt of financial aid.

### **Notification of Probation or Suspension**

The College will notify a student in writing any time they are placed on a probationary or suspension status.

### **Reinstatement**

To reinstate enrollment, a student must go through the SAP appeal process. Neither paying for their own classes nor sitting out a period of time is sufficient to re-enroll in classes. Successful appeals will reinstate the student under probationary status.

### **Student Rights and Responsibilities**

As an institution dedicated to teaching and learning, Rainy River Community College has a vested interest in maintaining an environment where students and staff are free to pursue their academic and professional interests and goals. Conduct that unreasonably restricts such freedom and interferes with the College's mission of promoting student learning is subject to regulation and/or sanction by the College.

The rights of students derive both from their status as students and as citizens of the state and nation. These rights include, but are not limited to, the following:

- Students have the right to freedom from discrimination or harassment on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission as defined by law.
- Students should expect accurate and timely information regarding academic issues such as course requirements and expectations and graduation requirements.
- Students should expect that all of their records will be maintained in accordance with the Family Education Rights and Privacy Act of 1974 (FERPA) and the Minnesota Data Privacy Act.
- Students have the right to fair and impartial treatment and due process in the investigation of any alleged violation.
- Students have the right to expect fair, consistent, and appropriate discipline in line with the disciplinary policies authorized by the Minnesota State College and University Board if they are found guilty of violating a rule or regulation.
- Students have the right to grieve actions and policies that they consider unfair and inconsistent.
- Students have the right to freely engage in inquiry and discussion — the cornerstone of education at Rainy River Community College.

Students are responsible to be aware of and abide by all rules and regulations of Rainy River Community College. They are also responsible for abiding by the Standards of Student Conduct found in the Student Guide.

### **Statement of Academic Integrity**

Student responsibilities include attending class on-time and prepared, having completed (or at least attempted) all assignments, ready to discuss and explore pertinent issues, and raise questions about matters of interest or issues that you do not understand. Your accomplishments will be a function of your enthusiasm and your efforts.

### **Academic Misconduct and Academic Dishonesty**

Academic misconduct is any act that violates the rights of another student in academic work or that involves misrepresentation of personal work. Academic dishonesty includes, but is not necessarily limited to, the following:

- cheating and plagiarizing (as defined in the student code of conduct)
- submitting the same, or substantially the same, work to meet the requirements of more than one course (unless such submission is approved by the concerned faculty)
- depriving another student of necessary course materials, or interfering with another student's work

### **Auditing a Course**

Registration for a course without credit or audit (AU grade) carries the same tuition and fees as courses taken for credit. Students must consult with the instructor concerning audit requirements and submit a special form with the instructor's signature to the Registration Office during the first five days of the semester or the first week of summer school. Once the registration is completed, the student cannot earn a letter grade. A course that has been previously audited may be taken later for credit and a letter grade.

### **Good Student Certificates**

Requests for certification of good student standing for auto insurance discounts may be submitted to the Registration Office for completion.

## Transcript Holds

Official transcripts of students with financial obligations to the institution will not be released to third parties. Obligations may include but are not limited to, library and media materials, unpaid tuition and fees or other charges, and physical education or athletic equipment not returned. Administrative hold status can be viewed online on a student's E-services account. Any questions regarding administrative holds should be directed to the Registration Office.

## Tuition and Fees

At Rainy River Community College, the act of registration is considered an acknowledgement on the part of the student that he/she will attend and pay for the registered classes. Payment of tuition and fees must be made on or before the first day of each semester. The College may drop classes for students who have not paid, or made the appropriate arrangements for payment.

## Reciprocity Agreements

Reciprocity is available for students from North Dakota, South Dakota, Wisconsin and the Province of Manitoba. Students who are residents of these areas may attend public institutions in Minnesota at special tuition rates. Costs and reciprocity information is available by contacting the RRCC Business Office: 218-285-2203 or [businessoffice@rainyriver.edu](mailto:businessoffice@rainyriver.edu)

- **Failure to receive a tuition statement does not release the student from payment obligations.** Tuition statements may be accessed via the College website. Log into E-Services using your Star ID and Star ID Password, click on the Bills and Payments link, then on Full Account Detail.

Students who are removed from on-campus housing due to conduct violations will be responsible for payment of rental fees through the full term of the contract. Students who are removed from on-campus housing due to conduct, suspended or expelled will be held responsible for the rental fees, tuition and fees for the semester in which the disciplinary action was taken.

### **Refund Policy**

#### **Refunds for Dropped Classes**

A 100% refund of tuition and fees will be provided to students who reduce their course credit hours during the drop period. No refunds will be provided after that time.

#### **Refunds for Total Withdrawals**

The College will refund tuition for students who totally withdraw from registered classes during terms at least 10 weeks in length according to the following schedule:

- 1st through 5th class day of the term 100%
- 6th through 10th class day of the term 75%
- 11th through 15th class day of the term 50%
- 16th through 20th class day of the term 25%
- After the 20th class day of the term 0%

The College will refund tuition for students who totally withdraw from registered classes during terms at least three weeks but less than ten weeks in length according to the following schedule:

- 1st through 5th class day of the term 100%
- 6th through 10th class day of the term 50%
- After the 10th class day of the term 0%

### **Financial Aid**

Approximately 2 million dollars in financial aid is available at RRCC each year. The Free Application for Federal Student Aid (FAFSA), available at [www.fafsa.ed.gov](http://www.fafsa.ed.gov), must be completed by all students seeking assistance. This application applies to all forms of financial aid including:

Pell Grants • State Grants • Loans • Work-Study.

A separate application is required for campus-based scholarships. Applications are available at reception and will be accepted until their posted deadlines. Many of the scholarships available to RRCC students are made possible through the generosity of donors to the RRCC Foundation.

Students receiving financial aid are required to make satisfactory academic progress.

### **Return of Title IV Financial Aid Policy**

Any student who receives Federal Financial Aid (Title IV aid) and withdraws from all classes may be required to return Federal Financial Aid. Students who attend more than 60% of the term are considered to have fully earned their financial aid. However, students who did not attend classes until the 60% point of the term, have unearned financial aid that will need to be returned to the U.S. Department of Education (ED). The percent of the semester

completed and correspondingly the percentage of aid earned, is calculated by taking the calendar days attended by the student, divided by the total number of calendar days in the term. RRCC returns all funds to ED, then bills the student for the amount returned.

For students who have unearned financial aid, it will be returned in the following order:

- Unsubsidized Direct Loan
- Subsidized Direct Loan
- Federal PLUS Loans
- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Iraq and Afghanistan Service Grants

### **Official Withdrawal**

When the student officially withdraws from all courses after the semester begins, the Financial Aid Office will use the date on the Total Withdraw Form to determine the portion of the Federal Title IV aid earned (or could have been earned).

### **Unofficial Withdrawal**

A student is said to have "Unofficially Withdrawn" if they stop attending and receive failing grades in all classes. For a student who has been determined to have unofficially withdrawn, the date of withdrawal for purposes of the Return of Title IV refund calculation is the latest date attended (last date of attendance or LDA) reported by faculty for that term.

### **Timeframe for R2T4**

Federal regulation requires the college to calculate the Return to Title IV refunds within 30 days of determining an official or unofficial withdrawal date. Federal regulation requires the college to refund the Title IV funds determined to be unearned to the U.S. Department of Education (ED) within 45 days of determining an official or unofficial withdrawal date.

### **Post Withdrawal Disbursement**

In some cases, a student may withdraw from all courses before aid has been disbursed. A post withdrawal disbursement is done when a student shows they have withdrawn from all of their classes prior to financial aid disbursement but began attendance in all courses and are qualified for some (earned) aid. For Title IV grant eligibility only, the earned portion of the grant is disbursed to the student account and a letter is sent to student to notify them of their eligibility and right to return funds within 45 days of the date the school determined the student withdrew.

For loan eligibility, a notice is sent to the students before any funding will be processed. The student must tell the college if they want it disbursed to them directly or to their student account. Loan funds accepted by the student will be disbursed within 180 days of the date the school determined the student withdrew.

### Impact of Criminal Records

If you have been arrested, charged or convicted of any criminal offense, you should investigate the impact that the arrest, charge or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state and other higher education financial aid.

### Graduation Requirements

Degrees, diplomas, and certificates awarded by RRCC meet the following requirements:

- **Associate in Arts (AA)** is awarded for successful completion of programs primarily intended to provide a broad liberal education background, and to constitute the first two years of four-year degree programs. Associate in Arts requirements include 60 semester credits at college level (courses numbered above 1000) with a grade point average of 2.0 or better. **At least 40 of these credits must be within the Minnesota Transfer Curriculum. A grade point average of at least 2.0 must be maintained within these 40 credits.** In addition, at least 20 credits of the degree must be taken at Rainy River Community College.
- **Associate in Science (AS)** is awarded for successful completion of programs with highly structured requirements. Recipients of the AS will be prepared for transfer to baccalaureate programs in a defined major as per articulation agreements that are campus specific. AS programs require 60 semester college level credits with a grade point average of 2.0 or better. At least 20 of these credits must be earned from RRCC.
- **Associate in Applied Science (AAS)** is awarded for successful completion of programs primarily intended to prepare people for employment. AAS programs include 60 semester college level credits with a grade point average of 2.0 or better. At least 20 credits must be earned in the RRCC program awarding the degree.
- **Diplomas** are awarded for successful completion of a program intended to provide students with either entry-level employment skills or upgraded employment skills. A diploma includes 30-64 semester college-level credits. At least one-third of the credits are taught by the faculty recommending the award of the diploma.

## Transfer Information

Minnesota's public colleges and universities are working to make transfers a seamless process. Students are urged to plan ahead, meet with an advisor, ask questions, refer to the college catalog/website to which you plan to transfer, and check course equivalencies at [www.transferology.com](http://www.transferology.com)

## Academic Advisors and Transfer

Each student is assigned an advisor. The advisor is familiar with the college program in the student's area of interest and should be called upon to assist with the following:

- Designing an educational plan to accomplish the student's objectives.
- Understanding the general educational program of the college.
- Planning for long-range educational goals.
- Questions, concerns or problems and academic alerts.
- Interpretation of policies, procedures, and placement scores.

Your advisor is available by appointment to assist you during regularly scheduled office hours. Students are urged to meet with their advisor at least once per semester.

## Transfer Credit/General Information

The following general information applies to Minnesota's public colleges and universities and is intended to assist students with transfer issues:

RRCC advisors are available to assist with transfer questions. Student's should consult the transfer Web site at <http://www.transferology.com>.

- Make sure you understand the criteria for admission to the institution you plan to transfer to and the major you plan to pursue.
- Find out which courses your transfer institution will accept for transfer.
- Understand and be prepared to use the appeals process at the institution to which transfer credits are to be sent.

The receiving college or university decides which credits transfer and whether those credits meet its degree requirements. They look for similarity or "equivalency" in course goals, content, and level of difficulty. If you are transferring to another Minnesota State school, the receiving school must accept all courses with "C" grades or better in the goal areas assigned by the sending school.

If a student changes career goals or majors, he/she might not be able to complete all degree requirements within the usual number of graduation credits.

*The following are the transfer student's rights:*

- A clear, understandable statement of an institution's transfer policy; a fair credit review, and an explanation of why credits were or were not accepted;
- A copy of the formal appeal process; and
- A review of eligibility for financial aid or scholarships and the transfer of present financial aid records.

*Note:* If you have a hold at RRCC OR at another Minnesota State college, transcripts cannot be sent or obtained.

### Student Travel

Definitions: An *advisor* is any Rainy River Community College employee including coaches, faculty, staff, or designee appointed by administration to accompany students.

This policy governs all travel that involves enrolled students and individuals who participate in travel sponsored by Rainy River Community College.

Authorized drivers and all passengers in College vehicles must be state employees on duty for the College or students who have been given permission by the College administration.

A College designee will accompany students traveling out-of-state.

For all off-campus activities, approval must be acquired by the advisor at least one week in advance for in-state travel, and two weeks in advance for out-of-state and international travel. Approval can be acquired by completing a "College Travel Request/Absent from Regular Duty" form, or as directed by the supervisor.

Only currently enrolled students who are participating in the activity can travel to or be present at the College-sponsored trip. All students traveling for any College related activity with or without an advisor must sign a "Transportation Waiver" form prior to any travel. Students acknowledge and agree that:

- The Student Code of Conduct applies at all times.
- Only RRCC students and employees are to ride in College vehicles.
- Only an advisor or student employee of the College can operate a College vehicle.
- All drivers must pass a driving record check before operating a state vehicle.
- Students who violate any part of this policy may be sent home at their own expense.

Policy violations will be addressed appropriately once the student arrives back on campus.

The College advisor may, in writing, set up other rules, pertaining to curfew, individual travel, etc.

The advisor will provide students with a breakdown of which expenses are paid for by the College and which are paid by the student. Whenever applicable, students are required to stay four to a room when overnight lodging is

provided by the College. Requisitions must be completed at least one week prior to the travel, and a purchase order will be issued directly to the hotel. No expenses will be paid for deviations from group travel policies.

Note: Students may be required to pay a 20% deposit to Student Life for travel, registration, assembly, and/or conference fees for in or out of state travel. Upon verification of attendance by the student's advisor/coach, the deposit will be refunded to the student. If the student does not attend the function, their 20% will be used to cover the expenses incurred by the College.

Meals: When meals are not provided, the rate is \$4.00 for breakfast, \$5.00 for lunch, and \$6.00 for dinner.

Additional requirements for national/international travel may include:

- Proof of Immunizations
- Passport or birth certificate
- Credit Card or proof of access to funds for expenses, return travel, etc.
- Health Insurance card

The advisor will provide a trip itinerary to the students, the College switchboard, administration, and the supervisor. The itinerary must include:

- Name, address, and phone number of hotel(s).
- Time and place of departure and return.
- Flight information when applicable.

The advisor will provide the administration with a list of students participating in an off-campus activity at least five (5) class days before the trip. If authorized absences will occur during the school day, the advisor will distribute the list of students excused to all faculty and staff at least two (2) class days before the absence.

A syllabus must be on file in the office of the Dean or Provost for any travel that is done for credit or as a part of the curriculum.

A college vehicle should be used for student travel. If a College vehicle is not available, the most economical means of travel should be used. If students are required to use their own vehicle, they may be reimbursed at a rate that is set by the state of Minnesota.

  - "spamming" through widespread dissemination of unsolicited and unauthorized e-mail messages.

### **Student Rights and Responsibilities**

A major function of the College is to guarantee student rights and to demand student responsibility in regard to appropriate behavior and involvement in our learning environment. As an institution dedicated to teaching and learning, Rainy River Community College has a vested interest in maintaining an environment where students and staff are free to pursue their academic and professional interests and goals. Conduct that unreasonably restricts such freedom and interferes with the College's mission of promoting student learning is subject to regulation and/or sanction by the College. The creation of such an environment is premised on the assumption that students have both rights and responsibilities. The rights of Rainy River Community College students derive both from their status as students and from their status as citizens of the state and nation. These rights include, but are not limited to, the following:

#### **Freedom to Learn**

In addition to the basic constitutional rights enjoyed by all citizens, students in colleges and universities have specific rights related to academic freedom and their status as students. Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends on appropriate opportunities and conditions in all learning environments, on the campus, and in the larger community. Students are expected to exercise their freedom with responsibility.

#### **Freedom of Expression**

Individual students and student organizations shall be free to examine and discuss all questions of interest to them and to express opinions publicly and privately. They shall be free to support causes by orderly means that do not substantially disrupt the regular and essential operation of the system, college or university. Students shall be free to take reasoned exception to the information or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.

#### **Freedom of Association**

Students shall be free to organize and join organizations to promote their common and lawful interests, subject to system, college or university policies, procedures or regulations. Registration or recognition may be withheld or withdrawn from organizations that violate system, college or university policies, procedures or regulations.

#### **Student-Sponsored Forums**

Students have the right to assemble, to select speakers, and to discuss issues of their choice. The College shall establish reasonable time, place, and manner restrictions to assure that the assembly does not substantially disrupt the work of the system, college or does not interfere with the opportunity of other students to obtain an education or otherwise infringe upon the rights of others. Such regulations shall not be used as a means of censorship. The Provost or designee may prohibit any forum when holding the event, in his or her judgment, would result in physical harm or threat of physical harm to persons or property. Prior to any such prohibition, the Provost or designee shall make his or her best effort to consult with a designated member of the student association.

### **Student Publications**

Student-funded publications shall be free of censorship and advance approval of copy. Their editors and managers shall be free to develop their own editorial and news coverage policies. Editors, managers and contributors of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. The student fee allocation process shall not be used as a means of editorial control of student-funded publications. All student publications shall explicitly state on the editorial page that the opinions there expressed are not necessarily those of the college system or student body.

### **Student Policies**

The policies, procedures and regulations of the system, college or university regarding student expectations, rights and responsibilities shall be readily accessible to students.

### **Catalog and Course Information**

To the extent possible, students will be provided relevant and accurate information regarding courses prior to enrollment. Catalog course descriptions and website postings shall be accurate and based on information existing at the time of publication. Course descriptions can be found on the RRCC website at [www.rainyriver.edu](http://www.rainyriver.edu) under Academics. To the extent possible, class schedules will list the names of faculty teaching the courses.

### **Student Academic Standing Information**

Students shall have access to accurate information for establishing and maintaining acceptable academic standing, information which will enable students to determine their individual academic standing and information regarding graduation requirements.

This information can be found in your eServices account under Grades and Transcripts: Degree Audit Report (DARS). Your Degree Audit Report is a self-directed electronic tool for tracking progress toward completing an academic program (degree, diploma, certificate).

### **Academic Evaluation**

Student academic performance shall be evaluated solely on the basis of academic standards, including any requirements that are noted in the catalog, course syllabus, or student guide. Students shall have protection against prejudiced or capricious evaluation and shall not be evaluated on the basis of opinion or conduct in matters unrelated to academic standards. Students shall have the right to review their corrected examinations or other required assignments used by the faculty in evaluating the student's academic performance.

### **Property Rights**

Term papers, essays, projects, works of art, and similar property including property in which the student has intellectual property rights pursuant to [Board Policy 3.26](#) shall be returned to a student upon request, within a reasonable timeframe, when no longer needed for evaluation purposes, unless the student grants written permission for them to be retained.

### **Student Review and Consultation**

Students shall have the right to appropriate levels of participation in college and university decision-making pursuant to Policy 2.3 and Procedure 2.3.1, Student Involvement in Decision-Making.

### **Off-campus Conduct**

Students who violate a local ordinance or state law risk the legal penalties prescribed by civil authorities. The College may take disciplinary action against students for off-campus behavior, following the procedures of the RRCC code of conduct.

### **Student Responsibilities**

All students, as a member of the College community, have responsibility for the following:

Students are expected to abide by local, state, and federal laws and the Minnesota State Board policies. Should a violation of civil or criminal law by a student involve College interests, the College has the right to proceed with disciplinary action without regard to civil or criminal proceedings.

- The Conduct Officer is the person designated by the Provost of the College to review conduct issues other than those pertaining to the residence hall. This person is responsible for administration of the Student Code of Conduct on campus. The Housing Director is designated by the Provost to be the "conduct officer" at the residence hall. ### **Sanctions**

A Student Conduct Officer or adjudication panel may impose any of the following possible sanctions as warranted by the facts, evidence and type and severity of the offenses. Previous incidents of misconduct by the accused student may also be considered in arriving at the applicable sanction(s).

**Warning** — A notice in writing to the student that the student is violating or has violated institutional regulations.

**Probation** — A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.

**Loss of Privileges** — Denial of specified privileges for a designated period of time.

**Fine** — A monetary sanction may be imposed

**Restitution** — Compensation for loss, damage or injury. Monetary payment, material replacement, or appropriate service is required to the College or other persons, groups, or organizations for damages incurred.

**Discretionary Sanctions** — Work assignments, service to the College, counseling or referral to community agencies or other related discretionary assignments (such assignments must have the prior approval of the conduct office). Failure to participate as directed may result in the imposition of additional sanctions.

**Residence Hall Suspension** — Separation of the student from the residence hall for a definite period of time after which the student is eligible to return. Conditions for readmission may be specified.

**Residence Hall Expulsion** — Permanent separation of the student from the residence hall.

**College Suspension** — Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

**Alternative Sanction** - These sanctions include but are not limited to research papers, community service, public presentations, facilitation of an educational event, etc..

More than one of the sanctions listed may be imposed for any single violation.

Other than college expulsion, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's confidential record. Upon graduation, the student's confidential record of disciplinary actions other than residence hall suspension or expulsion may be sealed upon application to the Conduct Officer. Cases involving the imposition of sanctions other than residence hall suspension or expulsion, college suspension or expulsion shall be sealed three years after the final disposition of the case.

**Revocation of Admission and/or Degree** -- Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of college standards in obtaining the degree or for other serious violations committed by a student prior to graduation.

**Withholding Degree** -- The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this student conduct code, including completion of all sanctions imposed, if any.

The following sanctions may be imposed upon groups or organizations: Those sanctions listed above, as well as:

**Deactivation** — Loss of all privileges, including college recognition, for a specified period of time.

In each case in which a Conduct Officer or adjudication panel determines that a student has violated the Student Code of Conduct, the sanction(s) shall be determined and imposed by the Conduct Officer or adjudication panel. Following the determination and imposition of sanctions, the Conduct Officer or adjudication panel shall advise the accused in writing of the determination and of the sanction(s) imposed, if any.

### **Student Rights and Due Process**

Each person involved in the administration of the Student Code of Conduct at Rainy River Community College will be fair, take an objective and humane approach in all conduct cases. Consistent treatment in disciplinary action is another goal. Each case, however, must be recognized as a highly individual matter, and consistency for the sake of consistency should not be the dominant concern.

If a student is charged only with an off-campus violation of federal, state, or local law, but not with a violation of this Code, disciplinary action may be taken and sanctions imposed for misconduct which demonstrates flagrant disregard for the College community. In such cases, no sanction may be imposed unless the student has been found guilty in a court of law or has declined to contest such charges without actually admitting guilt (e.g. "no contest").

Following the filing of an accusation against a student, the Conduct Officer involved will conduct an investigation of the charges. If the accusation seems unwarranted, the conduct officer will discontinue proceedings. If there is sufficient evidence to support the accusation, the conduct officer will offer the accused student an opportunity to resolve the violation at an informal meeting. Prior to this meeting the student will be given oral or written notice of the specific charges against him/her and of the evidence available to support the charge. If the sanction is less than expulsion or a nine-day suspension, the student does not receive a formal hearing but instead may appeal through appeal procedures. A student may request a formal hearing before the student conduct panel only if the sanction is expulsion or suspension of more than nine days.

### **Summary Suspensions**

In certain circumstances, the administration of Rainy River Community College may impose a summary suspension prior to the informal or formal proceedings. A summary suspension may be imposed when, in the judgment of the administration, the accused student's presence on the College campus would constitute a threat to the safety and well-being of members of the campus community. Prior to the implementation of the summary suspension, the accused student will be given oral or written notice of the intention to impose the summary suspension and will be given an opportunity to present oral or written arguments against the imposition of the suspension. After the student has been summarily suspended, the student shall be provided an opportunity for a formal or informal hearing within the shortest reasonable time period, not to exceed nine days. During the summary suspension, the student may not enter the campus without obtaining prior permission from the administration.

### **Medical Amnesty**

Student health and safety are of primary concern at Rainy River Community College. As such, in cases of extreme intoxication or other medical emergency as a result of the ingestion of alcohol or drugs, RRCC encourages individuals to seek medical assistance for themselves or others. If an individual seeks such medical attention, the College may not pursue student conduct sanctions against the student for violations of the Alcohol Beverage Policy or Drugs Policy of the Code of Conduct. Additionally, those students who assist in obtaining medical attention for others may not receive sanctions for violations of the Alcohol Beverage or Possession of Drugs policies of the code of conduct. This policy does not grant amnesty to possession with the intent to distribute drugs. In lieu of sanctions under the Student Code of Conduct, the student under the influence of drugs or alcohol, as well as referring student(s), may be required to meet with the RRCC Conduct Officer who may issue educational requirements that include, but are not limited to, alcohol and/or drug education, counseling, and/or a substance abuse assessment. Serious or repeated incidents will prompt a higher degree of concern/response. Failure to complete educational assignments or treatment recommendations issued under this policy may result in disciplinary action. The student will be responsible for any costs associated with drug or alcohol education interventions. The Medical Amnesty Policy does not preclude sanctions due to any criminal violations or violations of the Code of Conduct (not related to the Alcohol Beverage Policy or Drug Policy).

### **Formal Adjudication Process**

The Judicial panel at Rainy River Community College includes:

Student – appointed by the Student Senate  
Faculty member  
Housing Director  
Director of Student Services  
Academic Services Director

Students referred for a formal hearing shall be given adequate advance notice in writing of the time, place, and date of the hearing. A student's failure to appear the hearing shall not prevent the hearing from proceeding as scheduled.

Within a reasonable time prior to the hearing, the student will be informed of the charges; the evidence to be presented against him/her; and list of witnesses and the nature of their testimony.

The student will be given the opportunity to speak in his /her own defense and to question any witnesses and may have an advisor present. The advisor may provide advice to the student, but may not participate in any questioning. When there is likelihood that a student involved in conduct proceedings will face criminal prosecution for a serious offense, it may be advisable that the student have an attorney as the advisor.

A written notice of findings and conclusions will be provided to the student within a reasonable time after the hearing. The notice shall inform the student of any sanction to be imposed.

**Note:** Conduct appeal hearings may take place without the full representation of the Conduct Appeal Committee.

## Appeals

A student who wishes to appeal a decision resulting from a meeting before a Conduct Officer or a proceeding before an adjudication panel must submit a written request for an appeal within five school days after receiving official written notification of the sanction(s). The written request shall be directed to the Provost. An appeal shall stay the imposition of sanction(s) until the judicial process is completed except in cases involving summary suspension or suspension from the residence hall.

The hearing procedures for conduct appeal decisions are as follows.

- Students requesting an appeal hearing before the Provost shall request such hearing in writing within five (5) school days of notification of sanction. Following the written request, the Provost shall set the date for the hearing and give written notice of the time set for the hearing. The hearing must be held not less than three (3) or more than fifteen (15) school days of receipt of student's request for hearing.
- A student's failure to appear at the hearing shall not prevent the hearing from proceeding as scheduled.
- At the appeal hearing, the student shall be given the opportunity to speak in his /her own defense and may have an advocate present. The advocate may provide advice to the student but may not participate in any questioning or give an opening or closing statement. An appeal shall be limited to review of the record of the meeting or hearing and the written appeal for one or more of the following purposes:
  - To determine whether the original meeting or hearing was conducted fairly in light of the charge and evidence presented, and in conformity with prescribed procedures giving the accused student a reasonable opportunity to prepare and present a rebuttal of the charge and evidence.

- To determine whether the decision reached regarding the accused student was based on evidence that demonstrated it was more likely than not that the student violated the Student Code of Conduct.
- To determine whether the sanction imposed was appropriate for the violation of the Student Code of Conduct which the student was found to have committed.
- Appeal hearings normally will be conducted in private.
- Admission of any person to the appeal hearing shall be at the discretion of the Provost.
- In appeal hearings involving more than one accused student, the Provost has the discretion to permit the hearing concerning each student to be conducted separately.
- After the appeal hearing, the Provost shall determine whether the conduct officer's determination of violation of code and/or imposition of sanctions stands. The Provost may uphold the determination and sanction(s), may declare that the determination was reached in error or inappropriately, or may declare that the sanction(s) are inappropriate. In the latter case, the Provost may issue lesser sanction(s). If the Provost believes that the sanction(s) were reached in error or inappropriately, the Provost may choose to exonerate the students or require that the student's case be heard again. The Provost shall notify the student in writing of the appeal decision and any new sanction(s) imposed. In cases involving sanctions of suspension for ten (10) days or longer, the College shall inform the student that he or she has the right to a contested case hearing under Minnesota Law (Chapter 14, MSA).
- There shall be a single record all appeal hearings before the Provost. The record shall be the property of the College.

### **Student Complaints and Grievances Procedures**

A student has the right to seek a remedy for a dispute or disagreement with an employee through a designated complaint or grievance procedure. Rainy River Community College has established the following procedures in consultation with student representatives, faculty, and professionals for handling complaints and grievances. These procedures shall not substitute for other grievance procedures specific in college or board policies or procedures, regulations or negotiated agreements. **Complaint/Grievance forms are available from advisors.**

**This policy does not apply to academic grade disputes. Grade appeals must be handled under a separate college academic policy.**

#### **I. POLICY**

**Instructions for Use:** The above referenced form is **optional** for use in filing a "complaint" and **must** be used to file a "grievance" under [Board Policy 3.8 and System Procedure 3.8.1](#). "Complaints" or "grievances" are allegations of improper, unfair, or arbitrary treatment, including the application of a specific provision of a college rule/regulation or a board policy or system procedure. To file a **grievance**, *you must first attempt an informal resolution* of your complaint by discussion with the involved employee(s) and/or administrator(s).

This procedure is **not** to be used for grade appeals, student conduct matters, claims of discrimination or harassment based on classifications protected under Board Policy 1B.1., or other rules, regulations, policies or procedures that include an appeal or grievance process. For information on those other procedures, please contact College Administration, or the student guide.

#### **DATA PRIVACY NOTICE**

The information you provide will be available to college and system employees who need access to the information to process your complaint or grievance, and may include the individual(s) about whose actions you have

complained. You are not required by law to provide information requested on this form, but the more information you provide, the better the College will be able to understand your concerns. Please contact College Administration if you have questions about this process.

## II. PROCEDURE

**Step A. Informal Procedure to Resolve Complaint:** A student who alleges improper, unfair, or arbitrary treatment in a college matter that is not subject to an appeal process under another college rule or regulation or board policy or procedure shall discuss his/her complaint with the appropriate employee and/or administrator. Students who allege discrimination or harassment based on a protected class under Board Policy 1.B.1 shall be referred to the designated administrator under System Procedure 1B. 1.1.

If the complaint is not resolved through informal discussion and the violation of an appropriate college rule/regulation or board policy or procedure is alleged, the student shall be advised of the opportunity to submit a written grievance to obtain a written decision from the Provost.

**Step B. Written Grievance:** If the alleged improper, unfair, or arbitrary treatment cannot be resolved through informal discussion as outlined in Step A, above, the student may submit a written grievance to the College Provost. Students shall use the form developed for this purpose. The aggrieved student should present the grievance in writing within ten (10) school days of the occurrence of the event on which the complaint is based unless the Provost extends the time for good cause. The grievance must include a description of the College rule/regulation and/or board policy/procedure at issue and the results of the previous attempt to resolve the issues by informal discussions. If the grievance alleges improper, unfair, or arbitrary conduct by the Provost the grievance may be referred to the NHED President, and/or the Office of the Chancellor for a decision.

The Provost or Office of the Chancellor shall provide a written decision within ten (10) school days of receiving the grievance unless there is good cause for delay. The decision shall include information about the applicable appeal process as outlined in Step C., below.

**Step C. Appeal:** An aggrieved student who is not satisfied with the grievance decision may appeal within ten (10) school days of receipt. If the grievance involves *a College rule or regulation*, a student may appeal to the NHED president. The appeal must be in writing and describe the reasons why the student disagrees with the decision. Unless good cause exists for delay, within five (5) school days after receiving the appeal, the president will issue a decision in writing. The district president's decision is final and binding.

If the grievance involves *a board policy or procedure, or the actions of the president*, a student may appeal an adverse decision to the chancellor. The appeal must be in writing and describe why the student disagrees with the decision. The decision of the chancellor is final and binding.

**Retaliation Prohibited.** No retaliation of any kind shall be taken against a student for participating, or refusing to participate in a grievance. Retaliation may be subject to action under appropriate student or employee policies. Complaints of retaliation under this policy should be reported to: Director of Instructional Services, Office A-108.

### Grade Appeal Procedure

A student who disagrees with the final grade awarded for a class may appeal the grade to the Provost within 30 days after the date that grades are posted (formal process), only if the student has first appealed to the instructor

(Informal Process) and one of the following conditions apply: arbitrariness, prejudice or error. An official grade appeal/procedures form is available from the admissions office.

### **Nondiscrimination in Employment and Education Opportunity**

Minnesota State and Rainy River Community College are committed to a policy of nondiscrimination in employment and education opportunity. No person shall be discriminated against in the terms and conditions of employment, personnel practices, or access to and participation in, programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission as defined by law. Harassment of an individual or group on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, or membership or activity in a local commission is prohibited. Sexual violence has no place in a work or learning environment. Further, Minnesota State works to eliminate violence in all forms. Physical contact by designated system, college, and university staff members may be appropriate if necessary to avoid physical harm to persons or property. The system office, colleges, and universities have complaint processes to review complaints of discrimination/harassment or sexual violence. Complaints should be made to the College's sexual harassment officers, Scott Riley, 218-285-2205 and Tammy Wood, 218-285-2204. Complaint forms are available on the campus web site: [www.rainyriver.edu](http://www.rainyriver.edu) under "About RRCC."

The system office, colleges, and universities shall maintain and encourage full freedom, within the law, of expression, inquiry, teaching, and research. Academic freedom comes with a responsibility that all members of our education community benefit from it without intimidation, exploitation, or coercion. Discrimination and harassment are not within the protections of academic freedom.

In instances where an individual believes she/he personally has been subjected to behavior prohibited by the nondiscrimination policy, that individual may voluntarily choose to directly address the offensive behavior. In such a situation, she or he should clearly explain to the alleged offender as soon as possible after the incident that the behavior is objectionable and that it stops.

Care will be taken to keep investigation discussions sufficiently broad to protect the complainant's identity when appropriate. Information gathered during the investigation will be handled in accordance with federal and state data privacy laws. No retaliation, reprisal, or intimidation in conjunction with a complaint of discrimination/harassment will be tolerated by the system office, colleges, or universities.

The complainant and respondent may appeal the decision of the decision-maker. An appeal must be filed in writing with the Provost or designee within ten class days after notification of a decision.

### **Policy 1B.1 Nondiscrimination in Employment and Education Opportunity**

No person shall be discriminated against or harassed in the terms and conditions of employment, personnel practices, educational opportunity or access to and participation in programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, gender expression or membership or activity in a local commission.

The College will take proactive measures to educate all members of the College community about the mental and physical health risks associated with alcohol and drug abuse.

Sanctions including, but not limited to: official reprimand, restitution, completion of a rehabilitation program, community service, suspension, expulsion and/or reporting to local law enforcement will be imposed on students who violate the preceding standards of conduct

According to the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226) and Minnesota Statutes 152 Prohibited Drugs, 340A Liquors in Certain Buildings or Grounds, Rainy River Community College will implement a program to prevent the use of illicit drugs and the abuse of alcohol by its students.

- No student shall possess a controlled substance, except when the possession is for that person's own use and is authorized by law while on campus or while involved in a college activity, service, project, program or work situation off campus.
- Except as allowed by Minnesota Statute 624.701, no student shall introduce upon, or have possession upon any college campus or while involved in a college activity, service, project, program or work situation any alcoholic beverage as defined in Minnesota Statute 340A.101

Administrative and legal sanctions up to and including termination of student employment or-expulsion for students, and referral for prosecution will be imposed on students who violate the above standards of conduct. A disciplinary sanction may include the completion of an appropriate rehabilitation program.

Federal and state sanctions for illegal possession of controlled substances range from up to one year imprisonment and up to \$100,000 in fines for a first offense, to three years imprisonment and \$250,000 in fines for repeat offenders. Additional penalties include forfeiture of personal property and the denial of federal student aid benefits. Under federal laws, trafficking in drugs such as heroin or cocaine may result in sanctions up to and including life imprisonment for a first offense involving 100 gm or more. Fines for such an offense can reach \$8 million. First offenses involving lesser amounts, 10-99 gm, may result in sanctions up to and including 20 years imprisonment and fines of up to \$4 million. A first offense for trafficking in marijuana may result in up to five years imprisonment and fines up to \$500,000 for an offense involving less than 50 kg, and up to life imprisonment and fines up to \$8 million for an offense involving 1,000 kg or more. The State of Minnesota may impose a wide range of sanctions for alcohol-related violations. For example, driving while intoxicated (blood alcohol content of .10 or more) may result in a \$700 fine, 90 days in jail, and/or revocation of driver's license for 30 days. Possession of alcohol under age 21 or use of false identification to purchase alcohol results in \$100 fine. Furnishing alcohol to persons under 21 is punishable by up to a \$3,000 fine and/or one year imprisonment.

NOTE: Although the Minnesota Medical Cannabis Law and program allows seriously ill Minnesotans to use medical marijuana to treat certain conditions, the possession and use of marijuana remains illegal under federal law, including the Drug-Free Schools and Communities Act, the Controlled Substances Act, and the Campus Security Act, and Board Policy 5.18 Alcoholic Beverages or Controlled Substances on Campus. Therefore, the use, possession, production, manufacture, and distribution of marijuana continues to be prohibited while a student is on college or university owned or controlled property or any function authorized or controlled by the College or university.

### **Violence**

The State of Minnesota has adopted a policy of zero tolerance of violence. It is State policy that every person in the state has a right to live free from violence. Violence is the abusive or unjust exercise of power, intimidation, harassment, and/or the threatened or actual use of force which results in or has a high likelihood of causing hurt, fear, injury, suffering, or death. The State further mandates that each agency of state government adopt a goal of zero tolerance in, and around, the workplace.

### **Sexual Violence Policy**

Sexual violence is an intolerable intrusion into the most personal and private rights of an individual, and is prohibited at Rainy River Community College. Rainy River Community College is committed to eliminating sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of this policy. Acts of sexual violence may also constitute violations of criminal or civil law, or other Minnesota State Board Policies that may require separate proceedings. To further its commitment against sexual violence, Minnesota State ensures reporting options, an investigative and disciplinary process, and prevention training or other related services as appropriate.

**Subpart A. Application of policy to students, employees, and others.** This policy applies to all Minnesota State students and employees and to others, as appropriate, where incidents of sexual violence on system property have been reported. Reports of sexual violence committed by a student at a location other than on system property are covered by this policy pursuant to the factors listed in Board Policy 3.6, Part 2. Reports of sexual violence committed by a system employee at a location other than system property are covered by this policy.

Reports of sexual violence committed on system property by individuals who are not students or employees are subject to appropriate actions by Minnesota State colleges and universities, including, but not limited to, pursuing criminal or civil action against them.

Allegations of discrimination or harassment are governed by Board Policy 1B.1.

**Subpart B. College and university policies.** Each Minnesota State college and university shall adopt a clear, understandable written policy on sexual violence that applies to its campus community, including, but not limited to, its students and employees. The policy content and implementation shall be consistent with the standards in this Policy and Procedure 1B.3.1.

### **Part 2. Definitions.**

The following definitions apply to this Policy and Procedure 1B.3.1.

**Subpart A. Sexual violence.** Sexual violence includes a continuum of conduct that includes sexual assault, and non-forcible sex acts, as well as aiding acts of sexual violence.

**Subpart B. Sexual assault.** "Sexual assault" means an actual, attempted, or threatened sexual act with another person without that a person's consent. Sexual assault is often a criminal act that can be prosecuted under Minnesota law, as well as form the basis for discipline under Minnesota State student conduct codes and employee disciplinary standards. Sexual assault includes but is not limited to:

1. Involvement without consent in any sexual act in which there is force, expressed or implied, or use of duress or deception upon the victim. Forced sexual intercourse is included in this definition, as are the acts commonly referred to as "date rape" or "acquaintance rape." This definition also includes the coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another.
2. Involvement in any sexual act when the victim is unable to give consent.
3. Intentional and unwelcome touching, or coercing, forcing, or attempting to coerce or force another to touch a person's intimate parts (defined as primary genital area, groin, inner thigh, buttocks, or breast).
4. Offensive sexual behavior that is directed at another such as indecent exposure or voyeurism.

**Subpart C. Consent.** Consent is informed, freely given and mutually understood. If coercion, intimidation, threats, and/or physical force are used, there is no consent. If the complainant is mentally or physically incapacitated or impaired so that the complainant cannot understand the fact, nature, or extent of the sexual situation, there is no consent; this includes conditions due to alcohol or drug consumption, or being asleep or unconscious. Silence does not necessarily constitute consent, and past consent of sexual activities does not imply ongoing future consent. Whether the respondent has taken advantage of a position of influence over the complainant may be a factor in determining consent.

**Subpart D. Non-forcible sex acts.** Non-forcible acts include unlawful sexual acts where consent is not relevant, such as sexual contact with an individual under the statutory age of consent, as defined by Minnesota law, or between persons who are related to each other within degrees wherein marriage is prohibited by law.

**Subpart E. System property.** "System property" means the facilities and land owned, leased, or under the primary control of Minnesota State colleges and universities, its Board of Trustees, system office, colleges and universities.

**Subpart F. Employee.** "Employee" means any individual employed by Minnesota State colleges and universities, its colleges and universities and system office, including student workers.

**Subpart G. Student.** The term "student" includes all persons who:

1. Are enrolled in one or more courses, either credit or non-credit, through a college or university;
2. Withdraw, transfer or graduate, after an alleged violation of the student conduct code;
3. Are not officially enrolled for a particular term but who have a continuing relationship with the college or university; or
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are not college or university employees and are not enrolled in the institution but live in a college or university residence hall.

## Actions for Victims of Sexual Violence

- Get to a safe place
- Tell someone: family member, friend, counselor, advisor, someone at the college.
- Do not shower, douche, wash your clothing; do not comb your hair.
- Do not disturb any physical evidence at the scene.
- Call Friends Against Abuse 285.7220 or 866.778.6059 Ask to speak with a sexual assault advocate who can meet you at the hospital, police station or sheriff's office.
- Go to a local clinic, hospital or other medical facility to be checked for injuries, sexually transmitted diseases, HIV and pregnancy. This is important not only for personal health, but also for evidence if deciding to press criminal charges. Having an evidentiary exam does not obligate filing a criminal report.
- Victims of sexual assault are encouraged to report the crime to local law enforcement (911).

## Reporting Sexual Violence (Refer to Minnesota State's Policy 1B.3 and its corresponding Procedure for further detail)

RRCC encourages the reporting of any and all incidents of sexual violence to a law enforcement agency. RRCC will provide advocacy and support for any person who chooses to report a crime of sexual violence.

Minnesota State colleges and universities campus security authorities, when informed of an alleged incident of sexual violence, shall promptly assist the complainant, as requested, including providing guidance in filing complaints with outside agencies including law enforcement; obtaining appropriate assistance from victim/survivor services or medical treatment professionals; and filing a complaint with campus officials responsible for enforcing the student conduct code or employee conduct standards.

When appropriate, Minnesota State colleges and universities may pursue legal action against a respondent, including, but not limited to, trespass or restraining orders, in addition to disciplinary action under the applicable student or employee conduct standard. A college or university may take actions it deems necessary or appropriate in response to all protection, restraining or no contact orders

## **Confidentiality of Reporting**

**Subpart A. Confidential reports.** Because of laws concerning government data contained in Minnesota Statutes §13, the Minnesota Government Data Practices Act, colleges and universities cannot guarantee confidentiality to those who report incidents of sexual violence except where those reports are privileged communications with licensed health care professionals. Some off-campus reports also may be legally privileged by law, such as reports to clergy, private legal counsel, or health care professionals.

**Subpart B. Reports to campus security authorities.** Complainants of sexual violence may contact any campus security authority for appropriate assistance or to report incidents. Absolute confidentiality of reports made to campus security authorities cannot be promised. However, campus security authorities shall not disclose personally identifiable information about a complainant of sexual violence without the complainant's consent except as may be required or permitted by law. There may be instances in which Minnesota State determines it needs to act regardless of whether the parties have reached a personal resolution or if the complainant requests that no action

be taken. In such instances, Minnesota State will investigate and take appropriate action, taking care to protect the identity of the complainant and any other reporter in accordance with this procedure.

### **Sexual Violence Reporting General Procedures**

College and university investigation and disciplinary procedures concerning allegations of sexual violence against employees or students shall:

1. Be respectful of the needs and rights of individuals involved;
2. Proceed as promptly as possible;
3. Permit a student complainant and a student respondent to have the same opportunity to have an appropriate support person or advisor present at any interview or hearing, in a manner consistent with the governing procedures and applicable data practices law;
4. Employees shall have the right to representation consistent with the appropriate collective bargaining agreement or personnel plan;
5. Be conducted in accordance with applicable due process standards and privacy laws;
6. Simultaneously inform both the complainant and respondent of the outcome in a timely manner, as permitted by applicable privacy law.
7. Be based on a preponderance of evidence standard, meaning that it is more likely than not that the policy or code has been violated.

On-campus telephones are located in the Student Services and Student Center, Humanities and Science buildings for emergency calls. College emergency phones are also located outdoors by the commons (Door 5) and the science building (Door 9). These telephones automatically dial 911.

### **Campus Security Report**

Rainy River Community College encourages all students and College community members to be fully aware of the safety issues on the campus and to take action to prevent and to report illegal and inappropriate activities. Personal awareness and applying personal safety practices are the foundation of a safe community. Pursuant to the Student Right to Know and Campus Security Act, RRCC monitors criminal activity, publishes a report, and maintains a three-year statistical history on the main campus, the residence hall and at off-campus property or facilities owned or used by RRCC or recognized College organizations. The College distributes a copy of this report to each current

student and employee. RRCC will notify prospective students and employees of its availability, and will provide a copy of the report upon written request.

All criminal activity occurring on campus should be reported immediately to the Director of Student Service's Office (285-2224), a campus designee and/or to the International Falls Police Department. The Provost or designee will assist the complainant in completing criminal reports. These reports will also be forwarded to the International Falls Police Department.
