

Community College Survey of Student Engagement (CCSSE) Benchmark Summary for Rainy River Community College

Every other year Rainy River Community College (RRCC) students are asked to complete the CCSSE Survey. The last survey was administered in the spring of 2019. Survey results provide the college with information on student engagement by asking questions that assess institutional practices and student behaviors. CCSSE results are used to enhance students' education experiences and document institutional effectiveness.

Results from the Community College Survey of Student Engagement are vast. CCSSE reports engagement areas in five benchmarks. These benchmarks are also used in comparisons both nationally and within participating Minnesota State Colleges and Universities. The first chart below illustrates three years of benchmark scores for Rainy River Community College. The second chart is a comparison of RRCC's spring 2019 results to other 2-year colleges.

Minnesota State 2-year Colleges, 2017-19 CCSSE Participants

CCSSE Small Colleges - National Public, Two-year Colleges, 2017-19 CCSSE Participation, < 4,500

Top-performing colleges are those that scored in the top 10% of the 2019 CCSSE cohort
