

College for Kids

July 22 – Aug. 1 Mondays-Thursdays

College for Kids 2019 is going to be amazing!

The RRCC Foundation is once again excited to open the campus doors for families and children to explore our local community college! We offer a variety of classes for children ages 4-13. CFK is partnering with 4-H this summer to bring *Exploring Space* and *Probing into Polymers* classes. Kids' favorites like *Sculpture* and *Archery* are back this year along sure to be new favorites *I Love Summer* and *Harry Potter Science*. This year we will again be emailing your child's class confirmation, so watch your in-box during the second week of July! Classes marked with a * have limited enrollment, so register your child today!

REGISTRATION INFORMATION:

Complete the Registration/Parent Release Form on the following page and return with full tuition for immediate processing.

TUITION

Tuition is **\$20** for each class. Scholarships are available for students in financial need. Please call Dawn Flesland for more information at 218-324-2828.

ENROLLMENT

A minimum of 10 students must be registered to offer each class. Classes do fill up, so enroll promptly for best class choices. **Students will receive a class schedule with room assignments by email prior to the 1st class day.**

REFUNDS

Absolutely no class fees will be refunded unless the class is filled or canceled.

INFORMATION

For more information, contact Dawn Flesland at (218)324-2828 or by email at kdflesland@midco.net

Parental/Guardian Release Form:

I have reviewed College for Kids program materials and am familiar with College for Kids activities. I understand there are unavoidable risks associated with College for Kids, including normal risks inherent in any event involving children. Although Rainy River Community College has a responsibility to supervise the children and take reasonable measures to minimize risks, I understand not all risks can be eliminated.

I hereby release Rainy River Community College, RRCC Foundation, College for Kids, and its employees and agents from any claims or liability arising out of or in any way connected with participation of my child in any College for Kids program activities.

I give permission to Rainy River Community College, RRCC Foundation, College for Kids, and its employees, in the event that I cannot be reached at the telephone numbers above, to transport and admit my child to a local hospital for the purpose of emergency medical treatment. I acknowledge that I am solely responsible for any medical or other costs arising out of any bodily injury or loss sustained through my child's participation in this activity.

I give permission to Rainy River Community College and their Foundation take promotional photos and/or videos of my child for educational or marketing purposes without compensation.

Rainy River Community College
College for Kids July 22 - Aug 1, 2019

8-9 am

I LOVE SUMMER!
Heidi Kerry
Let's create some summer fun crafts and participate in activities that will spark your creative imagination!

BASKETBALL
Owen Wherley
Get ready to shoot some hoops! Learn the rules of the game, run some drills and play basketball!

9-10 am

SCULPTURE
Autumn Silvers
Do you like to create art with clay? Then this class is for you! Use a variety of mediums to create works of art. Students will create and decorate their own sculptures.

LITTLE EINSTEINS
Kristie LaVigne
Get on your thinking caps to incorporate Science, Technology, Engineering, Art, and Math into fun! The sky is the limit to this indoor AND outdoor class!

PLAYGROUND GAMES
Tricia Wherley
Get ready to play! Do you miss playing tag and bouncing playground balls? Do you want to learn some new games to play outside? Then this class is for you!

10-11 am

THE MAGIC OF SCIENCE
Sabrina Etienne
Do you like to create potions, perform experiments and amaze your family? This class will unlock the science behind the magic!

RECYCLEABLE NATURE ARTS AND CRAFTS
Melissa Fuller
Create unique artwork and crafts using a sprinkle of items found in nature, a dash of recycled materials and a whole lot of creativity.

EXPLORING SPACE
Stacy Hall
Come explore our solar system by reading great stories, creating crafty projects and participating in fun activities!

11-12 pm

PAINTING/DRAWING
Autumn Silvers
Do you love art? This class will focus on techniques to use while painting and drawing. Come prepared to let your creativity flow!

BASEBALL/T-BALL/ KICKBALL
Owen Wherley
Do you love to play T-Ball? Have you tried kickball on the playground? If you like to run the diamond, this class is for you!

Classes with a * have limited enrollment spots.
Multi-age classes are underlined.
Register now for best selection!

Class offerings for 6-7 Year Olds

8-9 am
